Brand Overview

Purpose

TreeHouse helps homebuyers and property owners navigate the complexities of mortgages by providing clear, technology-driven guidance. It simplifies the process of comparing banks and lenders, uncovers the right financing options, and turns complex mortgage decisions into structured, actionable recommendations—helping customers save time, make smarter financial decisions, and move forward with confidence.

Vision

TreeHouse aims to become the most trusted and technology-driven mortgage consultancy, transforming the way people navigate home financing by making the process simpler, smarter, more transparent, and more personalised—so every customer can make confident decisions about their financial future.

Mission

TreeHouse helps customers navigate the complexities of home financing by combining expert mortgage guidance, technology, and data-driven insights. We simplify the process of evaluating banks and lenders, identify the right financing opportunities, and provide clear, personalised recommendations—enabling customers to make smarter decisions, save time, and secure the right home loan with confidence.

Clarity

We simplify complex mortgage decisions and make information easy to understand.

Trust

We put our customers first, communicate openly, and build relationships based on honesty and transparency.

Smart Thinking

We combine technology, data, and expertise to deliver better, more informed financial decisions.

Personal Guidance

Every customer has different needs. We provide thoughtful, personalised recommendations rather than a one-size-fits-all approach.

Progress

We continuously improve how people experience home financing through innovation, efficiency, and better technology.

Clear & Simple

Avoid complicated financial jargon. Explain mortgage and banking concepts in a way that feels easy and accessible.

Warm & Human

Use approachable, conversational language. Speak to customers as people, not as leads or transactions.

Confident, Not Pushy

Communicate expertise without sounding aggressive or overly promotional. Guide customers rather than pressure them.

Smart & Modern

Reflect TreeHouse’s technology-driven approach through concise, intelligent, and forward-thinking communication.

Transparent & Honest

Be straightforward about options, processes, costs, and limitations. Build trust through clarity.

The background of the slide features a series of thin, teal-colored wavy lines that flow from the left side towards the right, creating a sense of movement and depth. These lines are layered, with some appearing closer to the viewer than others, adding a three-dimensional effect to the design.

Logo

Logomark

Logo

The logomark is the iconic symbol of our brand. Use it as a compact identifier in spaces like social media avatars, favicons, or when the brand is already well-established.

Logotype

Logo

The logotype is our brand name in its custom typographic form. As our primary identifier, it is designed for maximum clarity and impact across all communications.

Clearspace

Logo

Clearspace is the minimum protected area surrounding the logo. This "breathing room" must be kept free of any other visual elements to ensure the logo's prominence and impact.

Logo Backgrounds

Logo

Our logo is designed for versatility. Always select a background color or image that provides sufficient contrast to ensure the logo is clearly visible and maintains its integrity.

Logo Misuse

To protect our brand's integrity, the logo must never be altered. Avoid stretching, rotating, re-coloring, or adding effects. Proper and consistent use is essential.

Colors

Primary Palette

The TreeHouse color palette is designed to feel professional, trustworthy, natural, and modern. It combines the stability and confidence of deep forest green with the warmth and grounded character of woody brown tones, supported by soft off-whites and neutral shades for a clean, calming, and premium visual experience. This palette reflects TreeHouse’s role as a technology-driven mortgage consultancy, creating a balance between financial expertise, human guidance, and a natural sense of trust.
